Your donation supports funding 20 vital non-profits in Barton and Pawnee counties as well as numerous Community Impact programs designed to address critical needs and foster long-term change.

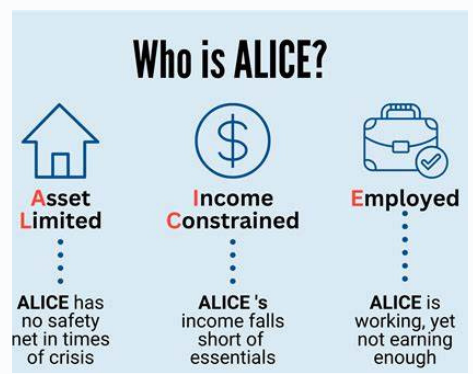

non-profit partners

In Barton and Pawnee counties,

46% and 49% of residents respectively live below the ALICE (Asset Limited Income Constrained Employed) threshold. This means nearly half of our community members struggle to meet basic necessities despite working hard every day.

When you donate to UWCK, your contribution does more than support individual non-profits and programs. It becomes part of a collective effort to uplift our entire community. Your generosity can change lives. Together, we can help those living below the ALICE threshold overcome their challenges and build a brighter future.
